

Cody Statue Project – Commemorative Bricks

The area around the Cody Statue will be paved, and many of the bricks used for this will carry inscriptions commemorating people who have had an association with Farnborough, and in particular with the Royal Aircraft Establishment.

The purchase of a brick, single or double, will include a worthwhile donation to the Cody Statue Fund.

If you would like to commemorate your time at RAE, or that of a family member, in this way, please complete the form overleaf.

Artist's impression of the Cody Statue

Examples of finished bricks can be seen in the Cody Pavilion, where they will be kept on view until we are ready to lay them around the Cody Statue. The intent is to unveil the statue on Wednesday 7 August 2013 - the centenary of Cody's death in an aircraft accident at Farnborough.

If you wish to make a donation to this project, or purchase a brick, by credit or debit card, but do not wish to use the internet, you may use this form which should be sent to:
